Ce document est signé électroniquement. Il constitue un original électronique à valeur probatoire.
This document is electronically signed. It stands for an electronic original with probationary value.

Julien NIZRI
Managing Director of AFNOR Certification

When AFNOR Certification delivers this letter to the company, the company uses it and attaches to it the importance that it sees fit without, however, ascribing to it any value other than that which it represents, namely a statement of the situation at a given moment and not a guarantee. The recipient company therefore undertakes not to pursue AFNOR Certification in any amicable or legal proceedings in the event of a third party contesting the declared value of this document. The issue of this letter does not in itself guarantee conformity to legislative requirements and/or national or international regulations, AFNOR Certification having neither the intent nor the means to verify if the company abides by any regulations or laws that may apply. Under no circumstances may the company claim that it or its products/services comply with regulations simply because it is a holder of this letter.
